

Declaration on Recycling codes

Hereby we declare that all of the products produced by Fries are marked with the relevant recycling code regarding Regulation 94/62/EG with a embossing.

The recycling codes used by Fries are:

02 – HD-PE	Polyethylene high Density
04 – LD-PE	Polyethylene low Density
05 – PP	Polypropylene
07 – O	Other Plastics

In special cases other recycling codes according to Decision 97/129/EG or rather ASTM D7611 could be applied.

Sulz, in January 2022
