hubergroup announces change of operating model in Colombia

The international manufacturer of printing inks and special chemicals hubergroup announces a change in its operating model in Colombia, where it will be represented by the company UNITY INK COLOMBIA S.A.S. With this transition, the company hubergroup Colombia SAS will close in the country without affecting commercial, logistical and technical activities, which will be carried out through the representative supported by the global structure of hubergroup, as successfully happens in all other Spanish-speaking countries in Latin America. Unity and hubergroup will continue to work as a team with strong cooperation to guarantee Colombian customers the highest standard of quality and services.

About hubergroup

hubergroup is a family business based in southern Germany with a 255 year history. The Print Solutions division produces and sells printing inks and printing aids for packaging printing and commercial printing. The security inks segment for international banknote and identity document producers is covered by the subsidiary Gleitsmann Security-Inks. The Chemicals Division markets raw materials such as pigments, resins and additives produced in India.

The company has always been focused on customer success. That is why hubergroup works on innovative solutions, technologies and services every day in order to optimise the value creation in the printing and chemistry industry and to allow their customers to achieve first-class results. In 2020, hubergroup generated an annual turnover of about €620 million and currently employs approximately 3,500 employees worldwide in over 30 countries.
